

Sample resume - Year 10 or earlier + no paid work experience

(A Youth Central sample resume)

Use this sample resume as a basis for your own resume if:

- your highest level of study is Year 10 or earlier
- you don't have any formal (paid) work experience.

NOTE: DON'T SUBMIT YOUR RESUME AS A .PDF. Some recruitment software has trouble reading .pdfs. Because of this we recommend that you always submit your resume as a .doc, .docx or .rtf.

If your highest level of study is Year 10 or earlier, and you haven't had any paid work experience, the types of jobs you'll probably be applying for will be very popular. There will be a large number of other candidates, which means your resume needs to effectively sell you and help you to stand out.

This sample resume has been designed to focus on:

- general skills that help you work in a team and as part of an organisation
- personal attributes that will help you learn to work in a professional work environment
- key strengths and contributions that show you are a stand-out applicant
- work experience or volunteer work that demonstrates your strengths and attributes
- a written testimonial that shows you are capable of transitioning into the world of work.

Other things that you can put on your resume include:

- any sporting or community club participation (if relevant)
- any hobbies or interests that are relevant to the job or demonstrate your professional experience.

This sample resume is two pages long, but with your level of experience you may find your resume ends up being one page. This is more than acceptable when you're just starting out in the world of work.

If your resume ends up being three pages long, you're probably providing too much information - try cutting some things out and sticking to two pages maximum.
